Please know that I worked very hard to honor all of your requests, I think that the conflicts that you already informed me of, should not exist on this schedule...With 8 teams this year, you will notice that you have one weeknight practice and two weekend practices (with 1 or 2 exceptions due to coach availability) until games start. After games start, you should have 1 weeknight game and 1 weekend game every week. You will also have 1 Friday night game. After games start, the only practice times that will remain will be Sunday practices. Use this time to your discretion; you many or may not want to use it. If you do not want to use it, please let me know so that it can be redistributed if necessary. The reason behind more games and less practices – 5 & 6 year olds love the games and get easily bored in practices for the most part. Remember, this is a fun league. Everyone hits every inning, after the last batter, teams switch. No Strike outs, no keeping score and everyone plays and has fun☺ Eight teams made the schedule a little different this year, unless the error is significant....assuming I probably made at least one, we will just work with it.

If you have any questions or concerns, please feel free to contact me, Thanks for volunteering your time to the kids and the community!
